Course Policies:

Students are expected to work independently. **Offering** and **accepting** solutions from others is an act of **plagiarism**, which is a serious offense and all involved parties will be penalized according to the University Rules. Discussion amongst students is encouraged, but when in doubt, direct your questions to your instructor.

Homework will be assigned once a week. The homework is due at the beginning of class of the following week. No late homework assignments will be accepted.

If you are ill or must miss a class, please provide a doctor's note or discuss with your instructor beforehand.

Disability: Students requiring assistance or consideration due to disability please notify your instructor of any special requirements. We would be happy to work with you and the Disability Student Services Unit to ensure reasonable accommodations in this course. The Disability Student Services Unit is located in the Multipurpose Building, Student Affairs Division. The contact number is +66 0 55-961-211.

Course Schedule: This is an anticipated schedule of when material will be covered and assignments due. The weekly coverage might change as it depends on the progress of the class. However, you should keep up with the reading assignments.
